ANNUAL REPORT
2003 - 2004

The Lala Lajpat Rai College of Commerce & Economics is one of the leading Educational institutions in the metropolis. The building has added "The Lala Lajpat Rai Institute of Management" since 1999. Ever since its inception in June 1972 the college has been growing through its various phases in different spheres of co-curricular and extra curricular activities. It has thus carved a niche for itself, gaining prominence and eminence among the colleges affiliated to the University of Mumbai. The College has a towering structure facing the expanse of the Arabian Sea, with the shrine of Haji Ali, and the famous temple of Goddess Mahalaxmi besides the Race Course escorting it on its three sides. The College has proved a fitting memorial for the great son of India Late Lala Lajpat Rai - the Lion of Punjab through its three decades of illustrious existence. The college is proud to possess Amar Gian Grover Auditorium. It is now being given for public functions too and leading institutions of Mumbai city hold their seminars, symposiums and conventions on week-ends. The auditorium is also used by our management institute for its prime academic activities.

The college has undergone many changes in the past thirty-two years. It started a separate management wing in the year 1995-96 when the sixth & seventh floors were entirely given away to the Management Institute. Our college introduced the BMS ^{course} ~~besides~~ ^(along with) the three year integrated degree course B.Com) in the year 1999-2000 and B.Sc.-IT in the year 2001-2002. Similarly B.Sc. (Computer Science) was also started in the year 2002-2003. Post graduate degree courses i.e. M.Com. and M.Sc. (Computer Science) were started from the academic year 2002-2003.

On the 2nd floor of the building, there are the Principal's Office and the College/administrative office. On the opposite of the Principal's and administrative office there are examination and cyclostyling rooms besides two rooms used as Trust office and cabins of Vice-Principals of Sr. College and Jr. College. At the other end of the floor are the Library, Reading & Research Rooms. In the center is the Principal's residence. The installation of Goddess Sarawsati's idol in an ideal and appropriate spot is noteworthy. As the students come up the staircase and the staff members on their way to the 2nd lift, pass by it, bow their heads and pay respect to the Goddess of knowledge and learning. A separate airconditioned office-cum-computer room has been added. The cultural officer occupies a table in this room. A separate office for the Management ^{courses has been along with the} ~~Accountant~~ ^{students' council in-charge room} ~~Tashi removed from the~~ The third floor houses the students' Council Room, fees collection centre, store rooms, 5 class rooms, peons' room and the college gymkhana room. The fourth floor has ~~Lady students' Common Room~~ and the staff common room. The Canteen is situated on the 5th floor. Rest of the rooms on the 3rd, 4th and 5th floors are lecture rooms for the F.Y., S.Y. & T.Y.B.Com. classes. Class rooms have been reshaped/rebuilt to accommodate the growing demand and increasing number of students for the Commerce stream from year to year.

The 6th and 7th floors are for the Management Institute which conducts professional courses : the M.M.S., P.G.D.B.M., M.B.A. Foundation Course of the I.C.F.A.I and the C.A. Foundation course. B.M.S. and the B.Sc.-IT are housed on the 5th floor too. The first batch of BSc IT will appear for the University Exams this year along with our Mcom Pt. II students.

The 6th floor comprises of the Management Office - two cabins for the Management Staff - Seminar room, Meeting room, placement Coordinators cabin, students Gymkhana room and the students' council room for the management institute, and a computer laboratory. The 7th floor has cabin for the visiting faculty and a well equipped Library for Management students. The same room had served as the Principal's Cabin as the original cabin was being renovated and refurnished.

The staff common room meetings with the Principal of the Degree and Jr. Colleges are now held on the 6th floor. All functions like Seminars, Workshops etc are held in the Seminar Room on the 6th floor.

The sports director Prof. S.N. Bhagwat who is also the Jr. College Supervisor was shifted from the staff Common Room to the 3rd floor. The College cooperative store has been shifted to the ground floor of the building. Also added on the ground floor are an extra Xerox centre, Health centre and the Canteen. The boxers use the premises for their practice and training.

The BMC has widened the sea-side road and has now built a wall which caused great inconvenience to the staff and students as the gate, has not been rebuilt. Moreover, no proper road is being paved. The entrance to the college is full of debris and stones. The ground is completely uneven. The authorities have already been informed; but the year has gone by and nothing has been done to safe guard the life and limb of the staff and students especially the ladies.

The seventh floor comprises of the Management Library, Reading room, the Seminar room, the Director's Office, faculty bodies & class rooms, for the management institute.

The Medical Centre has also been shifted to the ground floor of the college building. The degree and Jr. College staff common room is now fully air conditioned - gifted by the Alumni Association of the college to the staff members on the Teachers day on 5th September 2000.

The academic year 2003-2004 witnessed the end of the Pearl Anniversary celebrations. The college has given a facelift to the flooring now done in white marble.
