2006-2007*

Lala Lajpat Rai College of Commerce & Economics is one of the leading educational institutions in South Mumbai. The building has been added with "The Lala Lajpat Rai Institute of Management" since 1999. Ever since its inception, in June 1972, the college has been growing through its various phases in different spheres of co-curricular and extra-curricular activities. It has, thus, carved a niche for itself, gaining prominence and eminence among the colleges affiliated to the University of Mumbai. The beautifully architected building of the College faces the Arabian Sea, with the shrine of Haji Ali, and the famous temple of Goddess Mahalaxmi. The extensive spread of the Race Course serves as one of the Land Mark borders. The College is a profound memorial of the great hero of India, Late Lala Lajpat Rai (the Lion of Punjab). Our college also possesses the Amar Gian Grover Auditorium, which facilitates public functions such as seminars, symposiums and conventions on Week-ends. The auditorium is also being used by our Management Institute for its prime academic activities.

The college has undergone many changes in the past thirty-five years. A separate management wing was started in the Year 1998-99 and the sixth & seventh floors were given to the Management Institute. Our college first introduced the PGDBM and then the BMS alongwith the three years Regular integrated degree course in commerce i.e. B.COM., in the year 1999-2000, B.Sc.-IT was started 2001-2002. Similarly B.Sc. (Computer Science), Post Graduate degree courses i.e. M.Com. and M.Sc. (Computer Science) were started from the academic year 2002-2003. B.M.M. from 2004-2005. Additional subjects like E-Commerce, Insurance & Banking, Financial Management & Accounting, Travel & Tourism Management, to B.Com., students were introduced during the same academic year. All these courses go simultaneously from morning to evening.

The two most important offices of the college, viz. Principal's office and the Administrative Office including the Trust Office placed on the 2<sup>nd</sup> Floor. At the other end of the floor there are the Library, Reading & Research Rooms along with two lecture rooms in between. Our Library is a fully equipped and has been extended to accommodate more students for studying. The Library is completely computerised. Students use these computers for accessing information through internet. The installed Goddess Saraswati's idol at the entrance of the 2<sup>nd</sup> floor adds positive ambience of learning. The 3<sup>rd</sup> floor houses separate cabins for Senior and Junior college Vice-

Principal along with Law College Principal and college Counsellor. There are some lecture rooms on the same floor. Apart from these, the floor also accommodates the Gymnasium and Girl's Common Room. The fourth floor has been restructured into a Computer Lab for the Senior College Practicals. The same floor has Teachers Common Room too. The 5<sup>th</sup> floor is now completely allocated as class rooms for the management courses. The Lecture rooms on the 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> floors are for the F.Y., S.Y. & T.Y.B.Com. and B.Sc Comp. & IT Classes. Many lecture rooms have been reshaped / rebuilt to accommodate the growing demand and increasing number of students for the Commerce and management stream. Teacher's Staff Room houses separate cabins for the HODS. On the 4<sup>th</sup> floor near the lift there is an Examination room where Examination activities are conducted. The 6<sup>th</sup> and 7<sup>th</sup> floors are for the Management Institute which conducts professional courses like – the M.M.S, P.G.D.B.M., M.B.A, Foundation courses of the I.C.F.A.I. and the C.A. course. The staff common room meetings, the Staff Academy Seminars of the Degree and Jr. College are held on the 6<sup>th</sup> floor. In fact, all functions, Seminars, Workshops of the Institute are held in the Seminar Room on the 6<sup>th</sup> floor, which is now renamed as "Conference Hall"

The college co-operative store has been shifted to the ground floor of the building. Apart from that the ground floor has an extra Xerox Centre, Health Centre, canteen and fees paying counter. Our Student boxers use the open premises opposite to the canteen for their boxing practice and training. The Health Centre is on the Mezzanine floor. Entry to the Health Center is from the Library staircase. The Central Bank is also the

most convenient place again on the mezzanine floor, the entry for which is through the main lift of the college Building.

The college flooring has acquired a new and polished look with the addition of white marbles and painting in every floor.

## REPORT ON ROTRACT CLUB ACTIVITIES

2006-2007

The Rotract Club constituted for the Academic year 2006-2007 was purely organised and formed seeing the enthusiasm of the students who came forward to volunteer their services for the society. Although officially there was no such portfolio this year, yet the students went ahead and did it.

The active participation of the students started rather little late with the enrollment of interested students to volunteer their services.

The first meeting of the club of Lala Lajpat Rai college unit was held on 3<sup>rd</sup> January, 2007 where the students enrolled their names officially under various capacities, as follows:

Ms. Kashmira Chedda	- chair person of the club (of our college unit)
Mr. Dipankar Das	- the Vice-chairman person
Pooja Jain	- As secretary
Omkar Gharat	- Jt. Secretary
Afreen Ansari	- Club-Secretary
Shabbir Lakadawala	- Asst. Secretary

And Ms. Priya Shetty, Supsely Cyapot, Sarika Singh, Nicola Fernandes and Manish Jain as the members of the Club.

The Club members and Chair bearers decided to volunteer their services to those Cancer patients, who were children below 12 years old. These members decided to visit those children patients to boost them up and encourage them by playing and participating in the various activities, in combating the killing disease- Cancer.

They collected little funds with their personal contributions from their pocket money, contributed individually and used that fund for buying gifts for those children and celebrating their Birthdays.

Gifts and toys were distributed and sweets were served accompanied by music, songs and plays. Our students returned with the cherished memories and sense of achievement - “that may be for some moment they were successful in bringing smiles on the faces of those children patients of Cancer who had forgotten to smile.”

They returned with more knowledge and understanding of the real, needy world then they could have acquired through their books or in the class rooms.

They have been participating every now and then in their own possible ways to do something for the society.

Sr. Lecturer, Deptt. English.,

## VOTE OF THANKS

Principal Dr. Alakananda Khidkikar expresses her sincere thanks and acknowledge her indebtedness to the president, Members of the Governing Board, Members of the teaching and non teaching staff, the chairman and secretaries of the students council, of the Gymnasium council and the division representatives without whose immense help and actual co operation all these activities and achievements would have been impossible to record.

Finally, being the editor of the college Annual Report I take the privilege to add a few words that unlike the previous issue , their year I have put a lot from my personal efforts in making the present issue a more representable, readable and precise . I am afraid, may be, I have taken too much of liberty, but whatever may be, the same is/was done in order to make it a standard to articulate the correct and relevant sense and meaning which perhaps sometime we don't.
